PEOPLE WHO BUILD

KICK OFF YOUR CAREER IN CONSTRUCTION WITH A GRADUATE ROLE AT ADCO

► At ADCO Constructions, we invest in our people and watch them grow.

We have developed an industry-leading Graduate programme that equips candidates with the skills to build a successful, ongoing career in construction. We employ graduates in the positions of Contracts Administrator, Design Manager and Estimator.

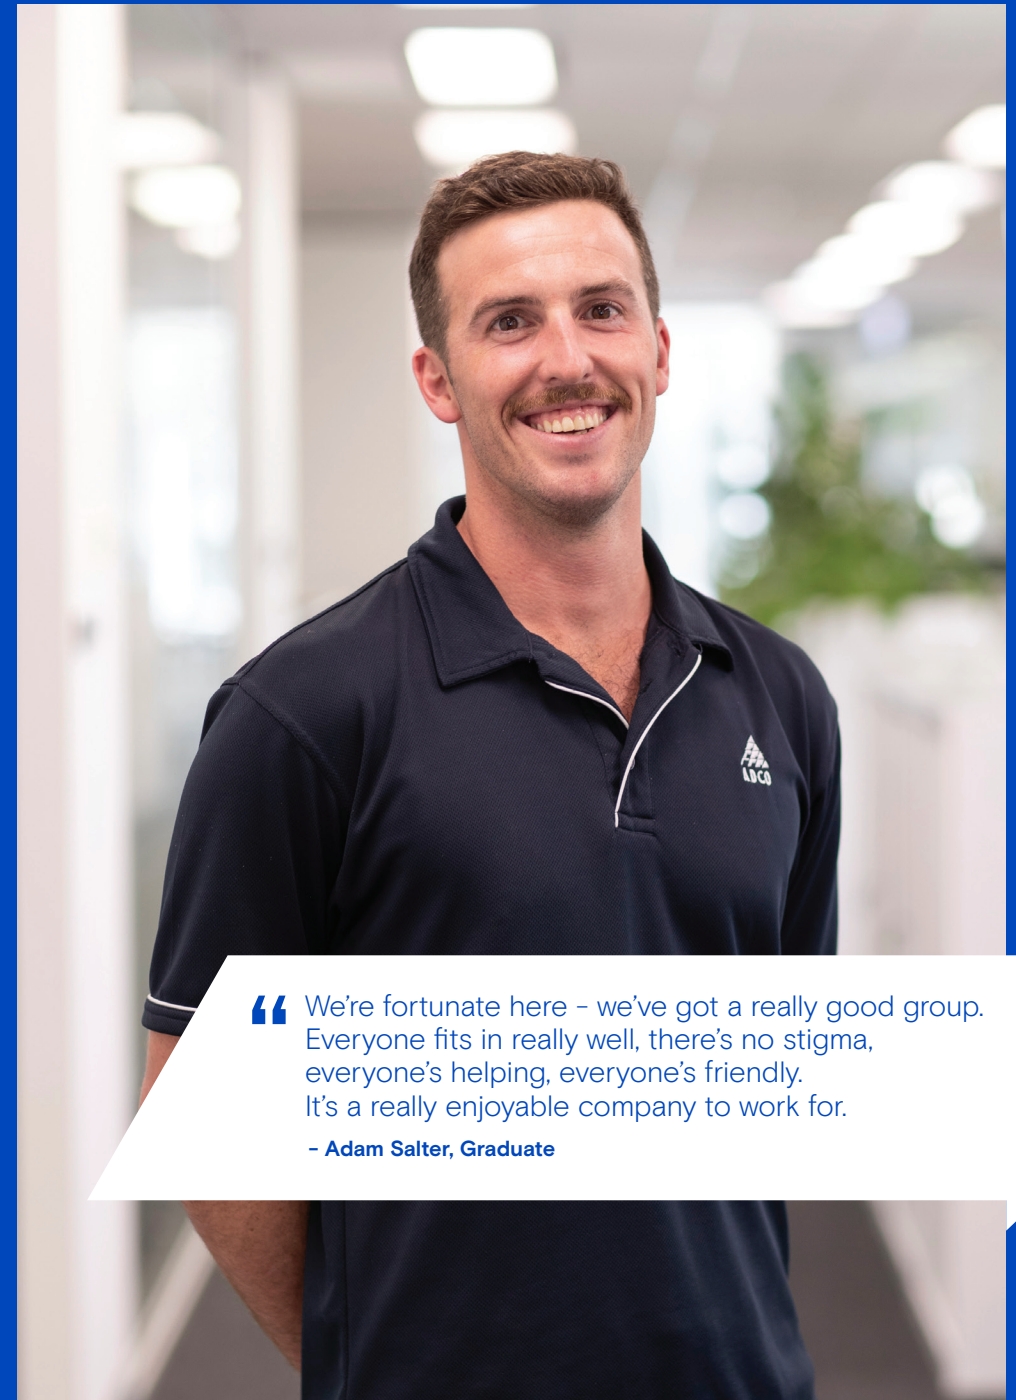

What we offer graduates:

- / The opportunity to develop your skills on high-profile projects
- / Hands-on experience and responsibility from day one
- / Structured modules to ensure you develop expertise in your field
- / Exposure to all areas of our business activities
- / A personal mentor and national sponsor
- / A competitive salary
- / Great opportunities for ongoing employment and for rapid career development

About ADCO Constructions

ADCO has been at the forefront of Australia's construction industry for nearly 50 years, and we remain family-owned to this day. We work across the whole of Australia and are one of Australia's top 100 private companies, with annual revenue approaching \$1 billion.

Our people are our driving force and what makes us different. It's because of the quality and calibre of our staff that we are regarded as **Builder of Choice** by major clients across many sectors.

“ We're fortunate here - we've got a really good group. Everyone fits in really well, there's no stigma, everyone's helping, everyone's friendly. It's a really enjoyable company to work for.

- Adam Salter, Graduate

Why join ADCO as a graduate?

Our Graduate programme will give you the opportunity to apply the skills you've learnt during your degree on a diverse range of projects, and equip you to become an industry-leading professional in your chosen discipline.

The 18-month programme is divided into two nine-month stages that will expose you to different aspects of the business and help you progress in your career. You will be closely mentored by an experienced ADCO manager, who will be responsible for providing the support you need and making sure you have access to the experience required to complete the assessment modules.

**Our people
are our
driving force
and what
makes us
different.**

You will also benefit from:

- / A personal mentoring relationship
- / A National Graduate Forum, where you will visit a high-profile project in one of our States, network with other graduates from across the country, and meet with the national leadership team.
- / Quarterly graduate events held on different project sites in each state.
- / A competitive salary
- / The opportunity for full time employment at the completion of your programme with excellent pathways to internal promotion and opportunities to work interstate.

STAGE 1 9 months

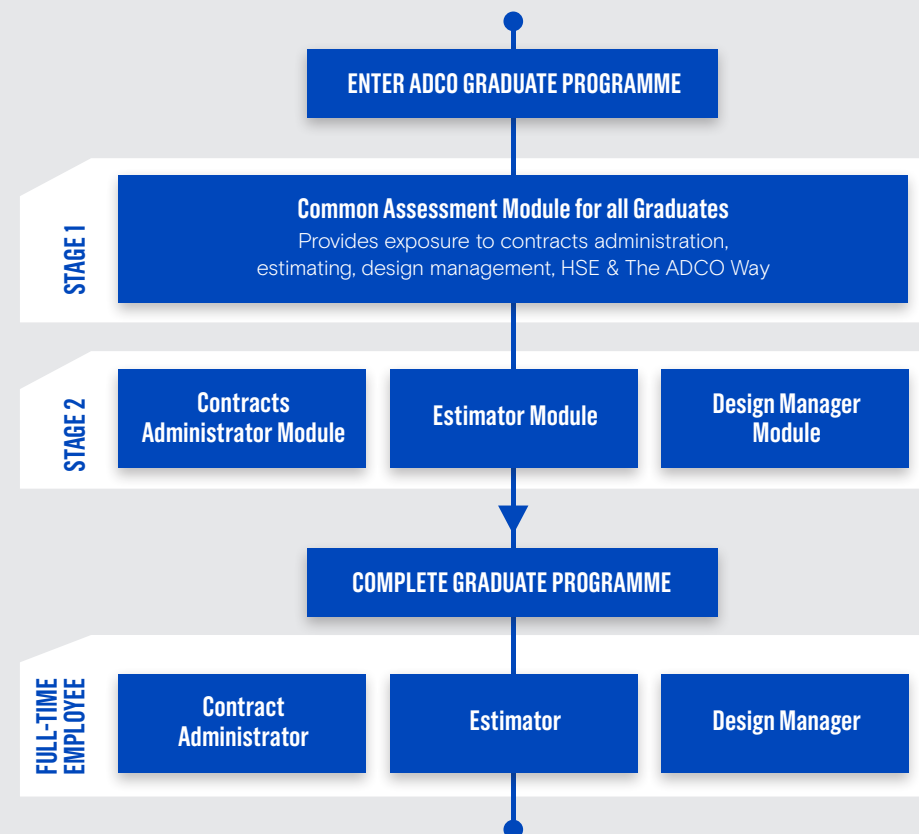

Stage 1 is primarily focused on your chosen discipline but will also provide exposure to the other critical areas of our business, giving you an a stable foundation in industry areas.

The content covers Contracts Administration, Design Management, Estimating, HSE and The ADCO Way.

STAGE 2 9 months

Stage 2 offers targeted development in your discipline to hone and refine your skills as an industry-leading professional.

OUR TRAINING STRUCTURE

Completing the Graduate programme is just the first step on an exciting career pathway at ADCO. We support the ongoing development of our staff to become industry leaders.

About you

We're inviting applications from individuals who are energetic, who are capable problem solvers, who can work effectively with others and who enjoy a challenge.

You're an attentive listener and a quick learner who can take initiative. You take pride in your work and safety is your number one priority.

If this is you, and you're a university graduate of Construction Management, Project Management, Engineering, Design, Quantity Surveying/Cost Planning, or similar, we'd love to hear from you.
