PEOPLE WHO BUILD

Since our beginnings in 1972, ADCO has been steered by family values, trust and honesty. Everything we do is underpinned by our core values of accountability, commitment and teamwork.

WHO WE ARE

We are People Who Build. It's been that way for more than half a century and today we are one of Australia's largest construction businesses. Proudly, we continue to be family owned.

Our story

A force in Australian construction – guided by family values, trust and putting people first.

The ADCO story began back in 1972. In the years since then, we've grown to be a multi-billion-dollar construction business guided by an unwavering commitment to quality, our clients, and our people. These foundations have seen us become one of the top private companies in Australia with a blue-chip client list and an award-winning portfolio of almost 4,000 successfully completed buildings from early work packages to \$300+ million projects.

Builder of Choice

ADCO aspires to be the *Builder of Choice* for our clients, trade partners, consultants, and our people.

Becoming the *Builder of Choice* doesn't happen. It's the result of how we act. We understand our roles and we take personal ownership of our actions – no excuses. We get the job done – no matter the challenge. We work as one team – with one goal and limitless potential. It means completing projects on time, on budget and to the highest standards possible. We call this the ADCO Way, and it's embedded in our DNA. It's the way our *People Who Build* go to work.

EXPERTISE AND REACH

ADCO has a true national presence with offices throughout Australia.

ADCO is an industry leader with an operational footprint that touches every corner of the Australian market. The strength of our award-winning expertise, capability and people is reflected by exceptionally high levels of repeat business and long-established client relationships across key private and institutional corporations, as well as all levels of government.

Each year, our projects are delivered via early contractor involvement, design and construct, managing contractor, and traditional construction methods of procurement. Our national presence ensures we can offer holistic and seamlessly delivered projects up to \$300+ million anywhere in Australia.

Safer by CHOICE

It is our commitment to always ask ‘is there a safer choice?’

Safer by Choice is a philosophy that targets a genuine attitude change towards safety. Running deep within the ADCO business, it goes far beyond statistics and actively promotes personal responsibility and careful decision making.

Underpinned by three commitment pillars of action of Taking Responsibility; Supporting Each Other and Focusing on Positives, Safer by Choice recognises that everyone involved in the design and delivery of a project is a decision maker, and we all have the ability to improve safety, for ourselves and others, by choice.

Establishing a successful safety culture is a long-term commitment from all ADCO employees, guided, fostered and preserved by the leadership team.

ADCO was awarded the ‘Office of the Federal Safety Commissioner’s National Excellence in Workplace Health and Safety’ award for our work on Lakelands Station project at the Master Builder’s Awards in November 2022.

ADCO’s commitment to Quality across all areas of the business

With our Do It Once, Do It Right approach, we are dedicated to an unwavering commitment to quality, ensuring that all projects meet the highest standards from end-to-end delivery.

To reinforce this commitment, we have teams responsible for driving the initiatives and processes that uphold our Do It Once, Do It Right principles.

We foster a collaborative team culture and leadership approach, recognising that the support and contributions of each individual enable us to deliver exceptional projects.

Through the sharing of ideas, skills, experiences, training, lessons learned, and innovation opportunities, we continuously strive for positive change and ongoing improvement.

ADCO has been delivering major hotel, hospitality, and student accommodation projects for over 50 years across metropolitan and regional locations.

Our portfolio includes new greenfield developments, extensions to existing facilities, internal fit-outs, asset repositioning and detailed redevelopments within fully operational environments. Today the bulk of our projects are delivered via design and construct and early contractor involvement contracts.

Parmelia Hilton, WA

“The ADCO team consistently delivered construction services with a high level of expertise, integrity & professionalism through all phases of the Project. Of particular note was ADCO’s attention to detail and their collaborative approach to working in an operating environment. Their experience with hotel construction greatly improved the project outcome for all parties.”

Quest Hotel Southport, Qld

VECCHIO DEVELOPMENTS

We are thrilled to announce the commencement of construction for the new Quest Hotel Southport, on the Gold Coast in South-East Queensland.

Marked by a successful SOD (Start of Development) turning ceremony, this landmark project for our valued client, Sam Vecchio of Westpoint Consultants Pty Ltd, represents a significant milestone in the region's development.

The \$50 million venture will feature a 10-storey building comprising 90 modern units, a state-of-the-art gym, and a luxurious rooftop pool.

Key project highlights include the main concrete structure with two basements below ground, reinforced by a continuous hard and soft secant pile wall.

We are excited to bring this project to life and look forward to working with our client, trade partners and consultants.

Common Ground, WA

DEPARTMENT OF COMMUNITIES

The WA Housing Authority, operating within the Department of Communities is progressing the delivery of the “Common Ground facility” in Perth as part of the “All Paths Lead to a Home”, Western Australia’s 10-Year Strategy on Homelessness 2020-2030.

Common Ground is an evidence-based model of permanent, supportive housing where people who have experienced chronic homelessness and/or rough sleeping are housed and supported, alongside low-income earners, in a purpose-built residence, and on-site, wrap-around services are provided to individuals who need them.

These services include case management support and may also include support for physical and mental illnesses, support for substance abuse, links to education, training and employment opportunities.

ADCO was selected as the Builder of Choice on the project which involved the construction of 29 studio and 83 one-bedroom apartments with self-contained kitchens and bathrooms.

Other features include secure landscaped podium with shared BBQ areas, shade structure and seating areas, communal dining, lounge and kitchen spaces, leasable commercial spaces for the provision of on-site medical services, café and community services. Office spaces and meeting rooms for Community Housing providers and operators and vehicle parking will also be provided.

Arklife Cordelia, Qld

ARKLIFE

ADCO is thrilled to have completed construction on our developer Arklife’s second development, a 29-storey, build-to-rent project in South Brisbane. The build-to-rent concept provides tenants with a more cost-effective and stylish way to live in the inner suburbs of Brisbane.

The heritage listed development encompasses 265 residential units and delivers residents a high-end lifestyle incorporating an indoor gym, roof top pool, barbecue and dining area, lounge area, a private cinema and associated landscaping.

The development will also refurbish and showcase a beautiful heritage-listed building, highlighting its architecture and incorporating it into the complete design, using it for commercial and retail use. There will also be space for a bar on the ground floor heritage building.

Additionally, 314 car spaces and 347 bicycle spaces will be available for residents and guests across 6 basement levels.

Melbourne Place, Vic

MERRICKS CAPITAL

ADCO recently completed Melbourne Place, a boutique hotel in Melbourne's CBD. The \$75 million project involved the demolition of the three existing buildings and the design and construction of a 2-level basement and a 14 level hotel on Russell Street.

The new development offers a 191 boutique hotel rooms, 3 retail tenancies, a signature restaurant at Ground Level, eclectic destination bars in the basement and rooftop, a multi-purpose space for events and functions, a gymnasium and back-of-house operational areas such as offices, change rooms, end-of-trip facilities, luggage storage, laundry and housekeeping rooms, and storage.

Building in the heart of the CBD meant overcoming several challenges: maintaining pedestrian and delivery access required a full-width lane gantry and monthly community meetings to build trust with neighbours and the Melbourne City Council.

The team was also required to coordinate traffic management for crane lifts and deliveries, with restricted hours and full-time supervision, to ensure minimal disruption.

RUAH Centre, WA

RUAH COMMUNITY SERVICES

ADCO is proud to have delivered a purpose built centre for women and children escaping family violence for Ruah Community Services in Northbridge Perth.

The first of its kind, the \$27 million Ruah Centre for Women and Children is a seven-storey development providing accommodation and support services for women and children as they recover from domestic violence, assisting them in building a new future for themselves.

The facility includes 3 floors dedicated to women's health and family empowerment services, 2 floors with support services and 2 floors of short term accommodation.

Considered a centre of excellence the building will also facilitate research and collaboration to help end family violence.

“ADCO’s proposal and a very thorough due diligence process had demonstrated the Australian company’s strong track record in the delivery of similar projects and a strong alignment with RUAH values.”

Kaggarabah, Qld

QLD GOVERNMENT DEPARTMENT OF ENERGY & PUBLIC WORKS

ADCO is proud to have been the builder of choice for the revitalisation of Kaggarabah (formerly known as the Joyce Wilding Hostel); a centre that has provided refuge for vulnerable women and children in Queensland for over half a century.

The development adds seven two-storey blocks to the existing site, with four apartments in each, set in a shared, landscaped surrounding. An integrated communal hub provides space for essential support services and communal interactions, with another five apartments located above.

Sheltered BBQ facilities, a yarning circle, a kids' play area, a community garden and a parking area are also part of the facilities ADCO's team are completing. The centre is designed so visitors filter through the hub before they are officially granted access to the short term accommodation area.

The facility benefits the local community significantly by continuing to aid vulnerable women and children as they seek assistance from domestic violence.

Unilodge Student Accommodation, Qld

UNILODGE

ADCO delivered the design and construction of the major student accommodation development for UniLodge in the Brisbane CBD.

The \$100 million project includes a combination of single and shared room accommodation, with 870 beds, delivered over 16 levels.

ADCO managed the design and approvals process in an early contractor involvement (ECI) capacity, with the works designed to provide students with high-quality affordable housing within a collegiate lifestyle.

To enhance the student experience, the ground level includes residential common space with associated outdoor recreation areas and ancillary retail. Additional facilities within the building include a gymnasium, music and study rooms, a theatre, laundry facilities and courtyard gardens.

The building security is designed in accordance with ‘crime prevention through environmental design’ principles. This includes active access control and surveillance systems to ensure safety of residents and visitors.

Holiday Inn Express, NSW

PRO-INVEST GROUP

Holiday Inn Express (HIEX) Mascot is a mid-priced hotel chain within the InterContinental Hotels Group family of brands.

The \$55 million project spans nine levels (including one basement level) offering a total of 247 keys and 98 parking spaces available at basement, ground and first floor levels.

The surrounding area is heavily loaded with hotel and commercial buildings, due to proximity to Sydney’s Kingsford Smith Airport.

Construction included prefabricated façade and load-bearing structural panels (precast concrete) and bathroom pods, to accelerate program durations to meet the program timeline.

This project marks ADCO’s second Holiday Inn Express build, after resounding success constructing the first in Adelaide several years ago.

Parmelia Hilton Refurbishment, WA

HAWAIIAN GROUP

Property group Hawaiian and hotel giant Hilton confirmed ADCO as Builder of Choice to undertake the \$42 million refurbishment of Perth CBD's Parmelia Hilton.

Designed to enhance guest experience, the project will include a revitalised exterior and lobby, modernised guestrooms, the addition of an executive lounge and a proposed connection to the neighbouring Brookfield Place precinct. Guestrooms were significantly renovated, including new bathrooms, air-conditioning upgrades, new flooring & furniture and improved in-room technology. The room count will also increase from 284 to 309 rooms and suites.

ADCO has considered the requirements of carrying out a major refurbishment in a live, operational hotel and undertook the work in seven stages. By sequencing the works in this way, maximum construction efficiency was achieved while also retaining a huge benefit to the end users and the hotel operator with the hotel floors being ready for occupancy at an expedited rate throughout the project.

James Cook University Student Accommodation, Qld

JAMES COOK UNIVERSITY

ADCO delivered the design and construction of the student accommodation precinct for James Cook University (JCU) in Cairns.

JCU required a residential development which delivered a student experience, active living, quiet study/sleeping spaces, as well as meeting the design requirements for living in the tropics.

The Cairns development was a greenfield site, with design allowing for future expansion. The building provides 300 beds across seven storeys.

Twenty-five percent of the rooms are single occupancy apartments, with the remaining dwellings designed as six-bedroom communal living spaces, which include a shared lounge, kitchen, dining room, and bathrooms.

The ground floor internal landscape will be open to the public, with 24-hour accessibility. The student-exclusive recreation areas on other floors include communal lounges, study areas, a gymnasium, music rooms and roof terraces.

The sub-tropical design includes environmentally sustainable design principles, including large overhangs, shading, and screening devices to provide privacy as well as façade aesthetic, and mosquito deterrent.

Victoria University Student Accommodation, Vic

VICTORIA UNIVERSITY

ADCO constructed the \$50 million development as part of the Footscray University Town collaboration with Maribyrnong City Council. The partnership focuses on delivering a diverse, vibrant and creative arts precinct in the Footscray area.

The 12-level student accommodation project now provides 508 beds in a combination of self-contained private studios and two or six-bed apartments. Residents are able to make use of a theatre with state-of-the-art audio and visual systems and sound proofing, a gymnasium, bike shed, games room, launderette and study areas.

The facility also features an outdoor courtyard complete with roof terrace with BBQ area, a café, convenience store, electronic swipe cards security systems to all rooms and the latest in CCTV camera surveillance.

The two and six-bed apartments have shared bathrooms, a kitchen, dining and lounge areas and individual bedrooms. ADCO's works included the fit-out of all apartments with essentials such as bed, desk, pinboards, table, TV, hydronic heaters, fans, bathroom, wardrobe, shelving and kitchen with oven, microwave, stove and fridge. The high-quality interior finish was designed and constructed with an appreciation for 'whole of life' expectations.

With over 300 kitchens and bathrooms installed, flat pack pods were fully assembled off-site and factory-certified before being fitted to each separate apartment.

The multiple bed apartments have shared bathrooms, a kitchen, dining and lounge areas complementing individual bedrooms.

Lyn sat as a National Director of NAWIC from 2021 to 2024, is a Graduate of the Australian Institute of Company Directors and was awarded the 2022 LHQ Outstanding Leadership Award for Women in Construction. She holds a Bachelor of Construction Economics and Masters in Quantity Surveying.

Nathan Thomas

VIC State Manager

Nathan has been with ADCO for over 10 years and has played a pivotal role as Construction Manager within the Victorian branch for the past 5 years.

With 20 years of construction industry experience across Australia and the UK, Nathan brings a wealth of knowledge and strategic insight to his role as State Manager. Nathan's deep understanding of the modern construction landscape enables him to lead teams that consistently deliver exceptional outcomes for clients and stakeholders. He is passionate about fostering positive, collaborative environments and driving innovation to enhance project delivery and team performance.

A graduate of the inaugural ADCO Leaders Program and an active contributor to our innovation group, Novus, Nathan champions leadership development and forward-thinking practices across the business. He holds a Bachelor of Construction Management with Honours from Deakin University.

FINANCIAL STRENGTH

Financial security is one of the most critical elements to consider when appointing a construction partner.

ADCO provides financial surety for our clients and their financiers. We maintain a policy of profit reinvestment and working capital management to ensure our balance sheet remains commensurate with the size of our business. ADCO exceeds the financial requirements for licensing in each state and territory, for private and government projects.

We have strong cash and liquid asset reserves and a blue-chip client base, which translate into consistent cash flow and profitability. Our audited financial statements are available on request.

OUR COMMITMENTS

Diversity and Inclusion

ADCO celebrates and embraces diversity. We want our workplaces to reflect the communities and clients we serve – and be places where everyone is treated equitably, fairly and with respect.

Community Engagement

Community has been central to the ADCO story for over 50 years. We continue to engage actively with charities, community groups and like-minded businesses to create positive impacts cross Australia.

Environmental, Social and Governance

We commit to the integration of our environment social and governance (ESG) framework across our business undertakings.

Women of ADCO

ADCO is a leader in elevating the status and influence of women in Australia's construction industry.

Reconciliation Action Plan

We are committed to a construction industry that builds more meaningful relationships, opportunities and outcomes for Aboriginal and Torres Strait Islander peoples.

Novus

Innovation isn't optional. Our future success depends on it.

We have an in-house group of innovation champions, NOVUS, established in 2019.

Modern Slavery

We recognise our responsibility as part of a global supply chain.

ADCO Balance

Empowering ADCO's workforce to thrive through balance, fostering a culture of well-being and excellence.
